IOWA CULTURAL COALITION

Organizing Iowans to advocate for public
investment in arts and culture

IOWA CULTURAL COALITION

MISSION

The mission of the Iowa Cultural Coalition is to organize Iowans to advocate for public investment in arts and culture

VISION

Iowa is a place where the arts and culture industry inspires its citizens, strengthens communities, enhances educational achievement, celebrates its diversity and is a catalyst for economic development.

MANDATE

As a statewide advocacy organization, the ICC serves as a strong and unified voice in promoting public funding, legislation, and policy beneficial to Iowa's growing arts and culture industry. Iowa's cultural organizations are key drivers of all three of these crucial goals:

- Arts & Culture Attracts and Retains Talent in Iowa
- Arts & Culture Promotes Economic Development in Iowa
- Arts & Culture Builds Strong Communities in Iowa

BOARD OF DIRECTORS

Trish Bergren, *President* (Clarinda)

Lesley Wright, *Vice President* (Grinnell)

Andrew Sherburne, *Treasurer* (Iowa City)

Matthew McIver, *Secretary* (Des Moines)

LaNisha Cassell, *Director* (Cedar Rapids)

Leon Kuehner, *Director* (Hampton)

Rod Marlatt, *Director* (Elkader)

Jesus "Chuy" Renteria, *Director* (Iowa City)

Emily Tinsman, *At Large* (Bettendorf/DSM)

OVERVIEW

The Iowa Cultural Coalition assembled this report to illustrate all the public investment in the arts that flowed through the Iowa Department of Cultural Affairs last year. The report shows the public investment made in every Iowa Senate and House district. As such, it highlights the importance of arts, culture and heritage organizations in Iowa, and the benefits they bring to communities across the state.

Did You Know

- Iowa's Arts & Culture sector represents 2.3% of the state's GDP and 42,233 jobs contributing \$4.5 billion dollars to Iowa's economy, more than Iowa's three largest employers combined.¹
- 82% of Americans believe arts & culture are important to local business and the economy.²
- 87% of Americans believe arts & culture are important to quality of life.²

Impact of the Pandemic

In the last two years, the arts and culture sector – along with the broader leisure, hospitality, and tourism industry that it supports – has been among the most impacted parts of Iowa's economy. Vital public investment, at the federal and state levels, was crucial for the survival of arts and culture organizations across Iowa.

Of Note

- In 2020-21 a total of \$11.8 million dollars invested by the Iowa Department of Cultural Affairs in Iowa's arts & culture sector, with funding from the CARES Act and the American Rescue Plan and appropriations from the Iowa Legislature.
- From March 2020 – June 2021, Iowa's arts and cultural sector lost a net of about 4,500 jobs.
- **Without the infusion of federal funds, Iowa's arts & culture sector would have lost many more jobs.**

The Iowa Cultural Coalition's three points of advocacy are:

- Arts & Culture Attracts and Retains Talent in Iowa
- Arts & Culture Promotes Economic Development in Iowa
- Arts & Culture Builds Strong Communities in Iowa

As we work to rebuild Iowa's arts & culture sector and the creative economy, public investment is vital. In addition to increased funding for Iowa's arts & culture sector, the recognition that arts & culture are a priority and a key component to addressing Iowa's challenges is essential.
